Finance (E.I).

This is a concession not admissible under the rules and was allowed as a special case in accordance with the orders in G.O.2210 P.W. dated 24-7-47. There seems no reason to give effect to the orders from a date earlier than the date of G.O. It would amount to anticipating the orders in circulation passed only on 11-7-47. Finance may therefore advise against the additional concession of retrospective effect. If P.W wish to press, they may be requested to circulate the case to H.M.(Finance) also (cf. in this connection extract of his orders in Finance U.O. Note at (v).
